## Vegan Cheesecake Recipe

### Cover

1 jar for ST Dalfour Four Fruits spread.

### Base

2 1/2 cups oat flakes  
3 tbsp coconut oil  
3 tbsp coconut syrup

### Filling

2 cups vegetable vanilla yogurt  
1 cup vegan cream cheese  
1 cup oat milk  
1 tbsp agar-agar  
1/4 cup maple syrup (for the sweet tooth)

### How to do:

1. For the base, crush the oat flakes and mix together with coconut oil and syrup thoroughly. Pour the base mixture into the springform pan (lined with parchment paper) and press it firmly until it forms a uniform base. Put it into the fridge for 10-20mins.
2. Combine all filling ingredients in a pan and bring it to a boil for 10 minutes, stirring occasionally. Let it cool and pour it over the base. Put it back into the fridge at least for 5 hours or overnight. Decorate the cheesecake with the St Dalfour Four Fruits spread. You can also opt to use St Dalfour Strawberry fruit spread as cake topping.

## PERFECT GRILLED CHEESE SANDWICH

LESCURE BUTTER + GLENSTAL CHEDDAR + SOFT FRENCH CHEESE

Glenstal Irish Cheddar 200g

Vieux Porche French Cheeses  
 200g - 320g

AOP Origin Charentes-Poitou PDO Butter  
 The Seal of Authenticity & Quality

Lescure Butter 250g

### Ingredients

- 3 tbs Lescure butter
- 60 g Glenstal cheddar
- 60 g Vieux porche goat cheese
- Or substitute for milder Camembert
- 2 tbs honey

### Instructions

Melt the butter in a large saucepan on medium low heat. Allow to cook for about 2 minutes, careful not to let it burn. Arrange one slice of bread buttered-side down on the pan. Add the crumbled goat cheese and shredded cheddar to the bread, and drizzle one tablespoon of honey overtop. Top this with the other piece of buttered bread, buttered side out to form the sandwich. Cover with a lid to help the cheese melt. Cook until the bottom of each slice of bread is toasted and golden brown and the cheese is melted, likely 5-7 minutes. When done, drizzle the top of the sandwich with another tablespoon of honey. Slice, serve, and enjoy
