# TFP X WW: MEET THE ARTIST BEHIND OUR CNY CANVAS BAG

Hey there! At The Food Purveyor, we always think sharing hidden local treasures with our customers is the best surprise. Finding little-known gems that deserve more attention is what it's all about.

As we were looking for our next project to highlight, we came across an artist named Yee Von, aka @whimsywhimsical. We were

checking out artists from a recent illustration fair and found Yee Von's style inspired us for a CNY-themed bag.

Here's Yee Von sharing her story about what inspired this particular drawing as a collaboration with us for the CNY limited-edition bag design.

## A WHIMSICAL TOUCH FOR THE YEAR OF THE SNAKE: INSPIRATION BEHIND THE DESIGN

Working with The Food Purveyor on this CNY project has been a truly exciting experience, and I'm so grateful for the opportunity to create Chinese-themed designs that connect with Malaysian culture in a meaningful way.

For the upcoming Year of the Snake, I wanted to celebrate this symbol with a warm, welcoming spirit that brings out its charm and playfulness. I illustrated the snake with a friendly expression and dressed it in traditional Chinese attire to add a festive touch. To make the scene feel even more inviting, I surrounded the snake with Narcissus flowers—symbols of renewal and good fortune—

and gold ingots representing prosperity. Nestled among these vibrant plants and lucky symbols, the snake brings to life a cheerful scene that reflects the heart of Lunar New Year celebrations.

By blending the year's zodiac with symbols of abundance, I hope to create a design that feels both festive and calming—a keepsake that warmly invites the new year and good fortune into our lives.

Here's a fun twist: The floral patterns on the snake aren't just for decoration—they add a playful charm, making him look cute and friendly instead of fierce. And with a mandarin orange in hand, he's all set to greet you with festive cheer!

### ARTIST STORY

Hi, I'm Yee Von, the artist behind Whimsy Whimsical. Since 2009, I've worked as a freelance illustrator, specializing in greeting cards, children's books, and custom packaging projects. I love bringing characters to life, especially forest animals, to capture the simple, joyful moments I cherish—like savoring tea, getting lost in a book, or gazing at the sky. For me, these experiences bring warmth and beauty into everyday life.

If you'd like to explore my artwork and learn about my creative process, follow me on Instagram @whimsywhimsical for updates and stories! My collection is available at [www.whimsywhimsical.com.my](http://www.whimsywhimsical.com.my).
