Fibiii Art: Meet The Artist Behind Our CNY Canvas Bag

"Hey there! At The Food Purveyor, we always think sharing hidden local treasures with our customers is the best surprise. Finding little-known gems that deserve more attention is what it's all about.

As we were looking for our next project to highlight, we came across an artist named Fibiii @fibiii.art.

We were checking out our local artists and find Fibiii's style inspired us for Chinese New Year theme bag.

Here's Fibiii sharing her story about what inspired this particular drawing as collaboration with us for Chinese New Year limited edition bag design."

Where Joy Rides In on Little Horses

In a warm sunset orange, everyone is getting ready for Chinese New Year. Kids are running around with their cute little horse lanterns, each one carrying a different blessing — joy, fortune, prosperity, and a bit of extra "huat" for the new year. Flowers, snacks, red packets, everything mixes together into that familiar, festive chaos we all love.

This illustration wish to showcase warm, happy moment where everyone comes together, sharing blessings in their own simple, heartfelt ways.

And lastly, a big thank you to The Food Purveyor for making this collaboration possible and bringing this cheerful little village to life.

FIBIII ART

Hi! I'm Phoebe Ng, the illustrator behind Fibiii Art Studio, passionate about bringing stories to life through art. I creates whimsical and heartfelt illustrations, from event designs and branding to character IPs and merchandise. My work is deeply inspired by Malaysian culture, childhood nostalgia, and a touch of playfulness.

I love turning ideas into visuals that people can connect with, knowing that my designs can make someone smile or feel inspired is incredibly fulfilling, especially when they also provide effective solutions through thoughtful and creative design.
