TUDUNGRUFFLE:

## The *Movement* in *Modest* lifestyle

TUDUNGRUFFLE isn't just another modest fashion label, we're part of a standout movement in Malaysia's rapidly growing modest lifestyle scene. Modest fashion has surged in popularity, as more women dress modestly while embracing style, comfort and identity.

Our signature piece, the "Tudung Bawal Cotton", captures exactly what today's modest-wear lover seeks: breathable comfort for our tropical climate, a soft drape that flatters every outfit, and a timeless colour palette that works for everyday wear or special occasions.

But we didn't stop at scarves. Building on genuine interest from our community, the same kind driving Malaysia's modestwear market to boom, we've expanded into apparel, accessories, sportswear, jewellery and curated merchandise, all designed to deliver style, versatility and shariah-compliance.

A key hallmark of TUDUNGRUFFLE is our exclusive collaboration culture. Over the years, we've partnered with iconic brands and exciting local names, from beauty giant Wardah and media powerhouse TV3 to lifestyle leaders Electrolux and Pos Malaysia, coffee culture trendsetter Gigi Coffee, contemporary modestwear designer Fiz Woo, charitable organisation MAKNA and even sports icon Selangor FC. Each collaboration brings a unique twist, turning every release into a limited edition, collectible experience.

With a growing circle of supporters across social media, TUDUNGRUFFLE is more than a brand. We're crafting a lifestyle that blends elegance, comfort and modern modesty, for women who want to feel polished and confident, whether stepping out for errands or dressing up for an event.
