

# Discover the taste of true Australia exclusively brought to you by Woolworths.

We are proud to be one of **Australia's leading food brands**, serving Australia since 1924. Our products are all made to **Australian standards** and deliver high-quality taste **without artificial colours or flavours** across a wide

range of everyday groceries across breakfast, cooking, biscuits, snacks, condiments, pasta, frozen and more. Now, you too can enjoy the standards and **trusted Australian quality**.

## Woolworths. Synonymous with quality

Australia is widely recognised for its stringent food safety standards. As an Australian icon, we're committed to deliver high quality in every Woolworths product.

## Stringent food safety standards

Australia's food safety standards are some of the strictest in the world, and our products are produced to consistently high standards.

## Quality ingredients

Our producers combine quality ingredients and a passionate dedication for quality to bring you safe consistent products.

## World-class quality assurance programs

It's not enough to have good ingredients - quality needs to be monitored and controlled. With our quality assurance programs, our suppliers put in care every step of the way to ensure safe and consistent quality of our products.

## Making foods healthier with reformulation

At Woolworths, we're always striving to make our food better for you. We are committed to making our food products healthier and using fewer artificial ingredients.

## Free from artificial colours and flavours, & added MSG

Every Woolworths product is free from artificial colours and flavours, and added MSG.

The trusted quality of Australia, now available to you!

## Improving the nutrition content of our food

We continuously look for opportunities to make our products healthier by reducing less healthy nutrients such as salt, sugar, and saturated fat, while adding beneficial ingredients such as whole grain where possible. In the past three years, we've removed 24 tonnes of saturated fat, 132 tonnes of sugar, and 68 tonnes of salt from Woolworths products\*.
